**RESOLUTIONS OF RESPECT**

Daughters of the Confederacy Pay Tribute to Memory of Departed Veterans.

W. GILLIE MITCHELL. Whereas, after a long and painful illness, it has pleased God to take away one of our most esteemed Confederate veterans, Mr. W. Gillie Mitchell, leaving his place in Camp J. B. Robertson, U. C. V., vacant, never to be filled on this earth; and leaving the hearts of his comrades saddened by the loss of a faithful, loyal friend, his family grieving for a loving, affectionate brother, and us, the members of L. S. Ross Chapter, U. D. C., deploring the departure of one whose heart was on fire with love for the lost cause, and who was always ready to help in any and every movement that was for the furtherance of the work we all love—the upholding of the historic and beloved Old South; therefore be it resolved:

That in the death of this, our comrade, we have lost a strong, worthy and valiant advocate of the beloved Confederacy.

That we extend our mutual sympathy to Camp J. B. Robertson, U. C. V., in the loss of one of their bravest, truest and most loyal comrades.

That to his family and friends we

**Concentration Pays**

The stream flows along steadily, its waters are placid, its flow uninterrupted. It may be majestic enough but its power is not used. But put in a big dam, let the waters accumulate, then the power is at command. The same waters flow down the stream but by concentration the power is developed.

It is the same with money. Single dollars floating around will never control big deals, yet concentrated in a bank their power is developed. They aid new enterprises, give energy and stability to business, become a new power in the business world, and yet like the water in the stream, their flow is not interrupted. The money is subject to the depositor's check. Help us make this a stronger bank. You will share in the benefit.

offer heartfelt sympathy in their bereavement. As they pass through the aisles of grief and loneliness may their weakness be supplanted by Divine strength, and their broken spirits soothed by the touch of His loving hand.

MRS. F. I. GARTH,

DAVID MIKE, SR. Whereas, the death of Mr. David Mike, Sr., removes from our midst a pioneer citizen, one who had lived the greater part of his life among us, adding to the upbuilding of our town, and one who served faithfully in the strife between the states; therefore be it Resolved, That we, the L. S. Ross Chapter, U. D. C., show our appreciation of his efficient service and zeal and that we extend our sympathy to

the friends and family, who deplore the loss of one who in every phase of life was dear to them and who has left them a heritage of success and achievement.

MRS. J. H. ALLEN,

**PROTECT YOURSELF.**

To be immune or even in a measure protected from a disease as fatal as meningitis, is indeed comforting. Dr. Abraham Sophan, the meningitis expert, advises the use of Hexamethylene Tetramine internally daily as a preventive against this disease. Parties interested can obtain the drug in tablets (best and most convenient to take) and be further advised as to its administration at Read & Stewart's.
